

Pets

Pets are more than welcome at The Firs, all we ask is that they are not left unattended in the room at anytime and are not brought into the Dining Room.

Runswick Bay has unrestricted access for dogs along the beach and many of the pubs in the area are dog friendly. Please ask about specific places and we will gladly give them a ring to check their policies.

Doggie bins can be found near to the slip in Runswick Bay and along the lane to Hinderwell.

Doggie showers can be taken with our hose pipe, located outside the laundry room on the drive.
